

Memories are made of this _____

Your wedding day is composed of many "Moments"; cutting the cake, the first dance, walking down the aisle, and most importantly, saying "I do". Capturing these moments is the specialty of Glen Ricks Photography. We have been photographing weddings since 1975, and our experience ensures quality.

Whether you want traditional wedding poses, or would like to try something more "creative", let the talent of Glen Ricks work with your needs and imagination to capture the day in your own personal style.

At Glen Ricks Photography, we take pride in our ability to work closely with our clients. We guarantee your satisfaction and we are happy to assist you when needed.

Popular dates are taken quickly, and we encourage you to make reservations with us as soon as possible to avoid any complications or disappointments.
